

# TRAIL

- + Ideal for the chemical and petrochemical industries
- + Suitable for environments with metal detectors
- + Lightweight for all-day comfort
- + Prevents the risk of slipping thanks to its studs and its unhooked heel

**BELLOW**  
Prevents particle intrusion

**OCTANE**  
ESD S3 CI SRC

Code : 007TR11  
35 - 48

**metal  
FREE**

**PU/PU SOLE**  
Special OUTDOOR  
crampons and  
unhooked heel for  
working at height

**UPPER**  
Water-repellent  
full-grain leather

**UPPER PU AT THE FRONT**  
For a better product durability

SPECIFIC FOR  
PETROCHEMICALS

The specific assembly of the upper prevents the penetration of fluids (hydrocarbons, chemicals...) inside the shoe.
